

Congratulations on your upcoming wedding. My name is Maria, Ria for short and I have been a wedding officiant for over 20 years. Prior to that I was a wedding and corporate DJ for 10 years. As a DJ for VIP Entertainment and co-owner of Timeless Entertainment as well as owner of Rev On The Run, our companies were one of the top 5 requested in the Chicagoland area. After relocating to Colorado Springs in 2010, the plan was to continue and build my brand here in Colorado, but unfortunately family obligations came first and I was unable to do what I loved, WEDDINGS! Now I am at a point in my life that it's time to get back at it again.

I have experience working with various venues and vendors and I understand what a vendor or venue needs and am able to navigate an event to make sure everyone is getting what they need and want. My goal is to make sure you have a day to remember, not a day you stress about. From wedding officiant to day of coordination to the fun photo roamer, we can help you bring your dream into a reality.
